

Strategic Plan at-a-glance (2017 to 2022)

BCAPB Strategic Plan – How do we/have we met our desired outcomes?

1. Information Sharing: Ensure our members have access to the information need to be effective as police governance organizations.

- ✓ BCAPB website is being populated on a regular and ongoing basis
- ✓ BCAPB Executive have requested a meeting with the new Minister of Public Safety and Solicitor General; and met with the former Minister on March 17, 2016; met with the Assistant Deputy Minister of Policing and Security Branch on March 23, 2016 and the Minister of Justice on July 29, 2015

2. Training: Ensure our members are provided with adequate and timely training and opportunities to network and share their expertise/ experiences.

- ✓ The 2016 Conference and AGM hosted by the Vancouver Board was successful in providing training and networking opportunities to the membership
- ✓ Questions from the 2015 “My Big or Little Question” session have been answered and circulated in preparation for further dialogue during the 2016 Conference & AGM
- ✓ The Executive successfully met via Live Meeting in November 2016
- ✓ The Executive support the work that Police Services Division has done with the Institute of Corporate Directors to develop a formalized training program for our members
- ✓ A presentation was created by Bill Reid and circulated to the BCAPB Executive in March 2016 in support informing community interest groups of the BCAPB, who we are and what do we do. This presentation is available to all board members.

3. External Relationships: Participate on provincial committees and advocate for current issues and topics.

- ✓ BCAPB remains active on stakeholder consultation groups ie: Independent Investigations Office External Advisory Group (IIO EAG); the Advisory Committee on Provincial Policing Standards (ACOPPS); and UBCM Community Safety Committee (CSC); the Provincial Committee on Diversity and Policing.
- ✓ BCAPB stakeholders are invited to participate during annual conferences and at Executive meetings as topical issues arise.

4. Internal Operations: Be accountable to our membership.

BCAPB Executive members are committed to a two year appointment to the Executive Board and often volunteer to represent BCAPB on stakeholder committees

BCAPB Executive members are committed and accountable in the delivery of reports and tasks that are taken on. Current issues include a review of historical resolutions; use of personal email accounts for public business; the 2018 conference & AGM; and maintaining the BCAPB Strategic Plan.

BCAPB Strategic Plan – How we plan to meet outstanding goals in 2018

1. Information Sharing: Ensure our members have access to the information need to be effective as police governance organizations.

To promote the BCAPB website we plan to survey member boards to discover why the website is underused and what enhancements can be made to benefit the membership

3. External Relationships: Participate on provincial committees and advocate for current issues and topics.

To develop a fact sheet that will inform our external stakeholders of who BCAPB is and the current issues and topics that BCAPB is advocating for, we plan to form a working group consisting of representatives from our Executive Board to develop a high level fact sheet that will inform special interest groups.

BCAPB continues to advocate for current issues and topics; strives to follow through with resolutions; and support policing issues that affect all citizens. This is an ongoing activity for the BCAPB membership and will continue to be discussed at future Executive Board meetings and AGMs.
